College Goal Sunday set for February 18

UACCM will serve as a host site for College Goal Sunday on February 18, 2007. On this day, families may bring their 2006 tax information to the campus to receive help from a Financial Aid Counselor in completing the FAFSA. Students will also be given an overview of the other types of financial aid available.

In order to file the FAFSA electronically on College Goal Sunday, students and their parents must have applied for and received a federally issued PIN, available at www.pin.ed.gov. Some counselors are planning to host a Senior PIN Day, allowing students to apply for a PIN in advance of College Goal Sunday. Students who do not have a PIN may print a signature page and will be responsible for mailing it following the event.

Students are asked to pre-register for College Goal Sunday by logging on to www.arcollegegoalsunday.org, or by calling the UACCM Financial Aid Office at (501) 977-2055. All participants should arrive at the UACCM Fine Arts Auditorium by 2:00 p.m. on Sunday, February 18.

Financial Aid Quick Facts

The Academic Competitiveness Grant has been implemented by the U.S. Department of Education as additional assistance to any first- or second-year college student who is enrolled full-time at any two- or four-year degree granting institution, is a citizen of the United States, and has completed a rigorous high school course of study. The award for first-year students is $750. More information is available at www.fafsa.com/acg.

Career Center Scholarships have been added at UACCM for the Fall 2007 semester. These full tuition waiver scholarships are available to eight students who have successfully completed a minimum of four semesters of coursework through an Arkansas secondary career center. Interested students should complete the UACCM Scholarship Application and return it to the Financial Aid Office prior to April 2.

UACCM Academic Scholarships are awarded to students who achieve a 24 composite on the ACT or comparable scores on the COMPASS Exam.

UACCM Academic Incentive Scholarships are awarded to students who achieve a 21 composite on the ACT or comparable scores on the COMPASS Exam.
