

College Goal Sunday

February 22 – 2:00 pm

UACCM will serve as a host site for the third annual College Goal Sunday on February 22, 2009. During this event, students and a parent may bring 2008 personal tax information to the campus to receive help in filing the FAFSA. Financial aid administrators will be on hand to help answer any questions and assist filers in completing an accurate application. Families will also be given an overview of the various types of financial aid available.

Students may attend CGS at any site in Arkansas, regardless of which college or university they plan to attend. A complete list of locations is available at www.arcollegegoalsunday.org.

New UACCM Scholarships

(Still Superscore)

UACCM has two new scholarships this year based upon ACT scores. A 26 ACT composite with no subtest score below a 19 or comparable COMPASS scores will earn students a **University scholarship** which is a full-tuition and fees waiver. Freshman with a 28 ACT composite with no subtest score below a 19 or comparable COMPASS scores are eligible for a **Presidential scholarship** which is a full-tuition and fees waiver and \$500 book allowance.

UACCM continues to superscore ACT and COMPASS scores for the Academic Incentive, Academic, University, and Presidential Scholarships. For a complete listing of UACCM scholarships and eligibility requirements, go to http://www.uaccm.edu/Future_Student/Financial_Aid.htm.

The deadline to apply for scholarships is April 1; however, UACCM will continue to award the Academic Incentive, Academic, University, and Presidential Scholarships based on ACT or COMPASS test taken after the April 1 deadline as long as funding allows.

Chancellor's Ambassadors Needed

Do you have a student that exemplifies leadership abilities? If so, encourage them to apply for the Chancellor's Ambassador Scholarship. The UACCM Admissions Office has seven Ambassadors that work eight hours a week representing UACCM in exchange for their tuition being paid. This year we will have several openings, so please encourage your students to apply. They will need to submit a scholarship application and two letters of recommendation by April 1.
