UACCM will serve as a host site for the second annual College Goal Sunday on March 2, 2008. During this event, students and a parent may bring 2007 personal tax information to the campus to receive help in filing the FAFSA. Financial aid administrators will be on hand to help answer any questions and assist filers in completing an accurate application. Families will also be given an overview of the various types of financial aid available.

Students may attend CGS at any site in Arkansas, regardless of which college or university they plan to attend. Some of the locations hosting College Goal Sunday are:

- Arkansas State University - Beebe
- Arkansas State University - Heber Springs
- Arkansas Tech University - Russellville
- Conway High School - Conway
- North Arkansas College - Harrison
- Pulaski Technical College - North Little Rock
- UACCM - Morrilton

A complete list of locations is available at www.arcollegegoalsunday.org.

### COMPASS Testing at UACCM

- The test is available every Thursday at 1:00 and 4:30 p.m.
- The test is computerized and students will receive their scores immediately upon completion.
- The subject areas of math, English, and reading are tested.
- Students may bring a personal calculator that is a TI-83 or lesser model.
- A photo i.d. is required of all students.
- No one will be admitted late.
