College Goal Sunday to be hosted by UACCM

February 18, 2007 will mark Arkansas’ first annual College Goal Sunday, a statewide event designed to help students and their families complete the FAFSA either electronically or in paper format. UACCM will be one of the host sites for this event.

College Goal Sunday will begin at 2:00 p.m. on the UACCM campus with a short presentation about the financial aid options available to students through the FAFSA. Students will learn how to file the FAFSA and how to interpret the follow-up documents they will receive. Financial aid professionals will be available to assist students with completing the FAFSA and submitting it for review.

**Students who wish to participate need to bring the following items:**
1. Their 2006 tax return, W-2 form(s), or final paycheck stub(s) from 2006
