It’s Not Too Early to Apply!

At UACCM, students may apply for admission to the college as early as the end of the junior year. By applying early, students begin to receive information from the college concerning financial aid, registration, and new degree options. Because information is mailed from the college's applicant database, students who have submitted an application for admission are the first to know of these updates.

Scholarships are awarded to students as applications and test scores are received. Students who apply early are guaranteed the availability of academic scholarships, versus those who apply near the start of the fall semester. As additional financial aid opportunities are made available throughout the year, applicants and current students receive information about how to apply for these funds, which are often not printed in the application booklet.

Pre-registration for the fall semester is held during the month of April. Only students who have submitted all application materials and received an acceptance letter from UACCM will be invited to participate during this registration period. As we all know, pre-registration is the key to a good schedule!

If you have students who are considering UACCM, please encourage them to apply early to secure scholarships and participate in pre-registration. For a complete list of admission requirements, visit www.uaccm.edu.

The Spring 2008 schedule is now online!
Check it out at www.uaccm.edu.

Registration for High School Concurrent Students

Students currently attending UACCM as concurrent students may register for spring courses by appointment only November 1 - 28. To make an appointment for registration, students may stop by UC 206 or call (501) 977-2165. Students will be required to submit a new Permit to Register form prior to registration.

Students who have not previously attended UACCM may register for spring courses by appointment only November 12 - 28. These students must submit an application for admission, high school transcript, immunization records and entrance exam scores, in addition to a Permit to Register form, prior to registration. All new students enrolled in concurrent courses are required to attend orientation with a parent on January 8 at 6:00 p.m. Students failing to attend this orientation session will be dropped from classes.

For questions about high school concurrent courses, please contact UACCM Admissions at (501) 977-2053.
