The Arkansas Course Transfer System (ACTS) database is now available to help students who transfer between colleges know which courses will be accepted by each institution. The database was devised by the Arkansas Department of Higher Education to combat confusion existing among students, faculty advisors, and administrators as to which courses were acceptable credits for transfer from other colleges. Individuals may compare institutions and view side-by-side listings of the courses offered at each campus. The courses are “guaranteed transfer courses” unless otherwise denoted. To access the database, log on to http://acts.adhe.edu and click on “Students.”

**Don’t Forget . . .**

** The COMPASS Exam will not be available on December 28!
** Concurrent enrollment is still available for the Spring semester!

---

**Scholarship News**

The following scholarships have been added at UACCM:

**Career Center Scholarship:** A full tuition waiver for up to eight (8) students who have successfully completed a minimum of four semesters of coursework offered by an Arkansas secondary career center.

**GED/Adult Education Scholarship:** A tuition waiver for up to three (3) credit hours will be awarded to students who complete the GED program and earn the high school equivalency certificate from an adult education center in Arkansas. Students must enroll by the Fall semester following completion of the GED program.

**College Goal Sunday set for February 18**

UACCM will serve as a host site for College Goal Sunday on February 18, 2007. On this day, families may bring their 2006 tax information to the campus to receive help from a Financial Aid Counselor in completing the FAFSA. Students will also be given an overview of other types of financial aid available.

In order to file the FAFSA electronically on College Goal Sunday, students and their parents must have applied for and received a federally issued PIN, available at www.pin.ed.gov. Some counselors are planning to host a Senior PIN Day, allowing students to apply for a PIN in advance of College Goal Sunday. For additional information and a list of other host sites, log on to www.collegegoalsunday.org, or call the UACCM Admissions Office at (501) 977-2053.
