AUTOMOTIVE SERVICE TECHNOLOGY

UACCM's Automotive Service Technology program covers the operation, maintenance, and repair of the modern vehicle. This trade has become more important due to the multitude of advances in this evolving technology. Students will learn to troubleshoot issues accurately using high-tech diagnostic equipment on a diverse fleet of vehicles. Major tools needed for this program are provided.

UACCM's Automotive Service Technology program is accredited through the National Institute for Automotive Service Excellence (ASE) Education Foundation, which is the recognized standard used for measuring academic and hands-on learning achievements obtained by automotive repair technicians.
