

Faerie Dance

Emily Stengel

Step into the faerie circle,
Turn and dance and spin all around.
A ring of mushrooms encircle
The faerie folk dance round and round.

Get swept away into the dance
But lo, beware, don't take a chance
Of getting swept too far away
With the fae in all their array.

Glowing lights and flying feet,
When the folk and humans all meet
Revelry in the forest, see,
A party all in jubilee.
